

Skilled Nursing and Rehabilitation

Alliance Health at Braintree is a 101-bed, Joint Commission Accredited, non-profit Medicare-certified skilled nursing facility. Our healthcare clinicians provide a wide range of medical and rehabilitative services, including post acute care, short-term and long-term care, rehabilitation, respite care, and hospice care. Focused on a holistic approach, we work directly with each patient and their family members, to provide our residents with individualized quality care.
