*Skilled Nursing and Rehabilitation*

**Welcome to Alliance Health at West Acres, a pioneer in exceptional personalized nursing and rehabilitation care.**

We are proud to provide the highest standards of care in our top-performing state-of-the-art newly renovated facility. Our compassionate staff and clinicians work directly with residents and their families to develop an individualized plan of care. Using innovative techniques and technologically advanced equipment, we treat medical complications with the greatest degree of respect and patient dignity. With recreational activities, social services, and newly renovated patient rooms, residents can experience an active and fulfilling lifestyle in an atmosphere of warmth, respect and understanding.

## **A Community of Care in a Top Performing Facility**

Alliance Health at West Acres is a 130-bed, Joint Commission Accredited, non-profit Medicare-certified skilled nursing facility.

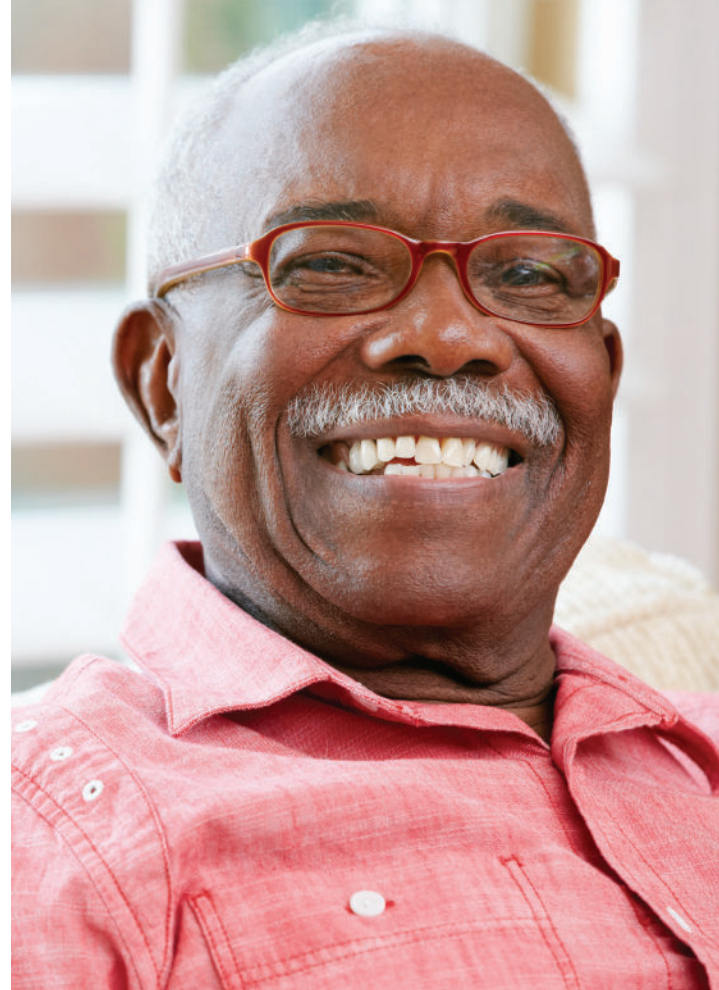

We are a five-star rated Centers for Medicare & Medicaid Services (CMS) facility, part of the Steward Preferred Network, and a not-for-profit partner with the City of Brockton. Our

healthcare clinicians provide a wide range of medical and rehabilitative services, including post acute care, short-term and long-term care, rehabilitation, respite care, and hospice care. Focused on a holistic approach, we work directly with each patient and their family members, to provide our residents with individualized quality care.
